Will You Be A Victim?

ID Theft Assist is the only true third party recovery service for identity theft victims. Some of the highlights of the service include:

- Credit monitoring that provides Daily Alerts when a change occurs on the credit report.
- Capture all necessary information, including credit history, with “real-time” technology to identify fraudulent accounts.
- Obtain list of creditors to be contacted and contact them with separate itemized fraudulent account statements for each fraudulent occurrence.
- Assist with completing the FTC ID Theft Affidavit, and submitting to creditors on participant’s behalf.
- Report the fraudulent activity to the local authorities and forward this report to creditors.
- Notify the fraud department of participant’s creditors.
- Notify all three major credit-reporting agencies of the ID theft and assist in obtaining credit reports.
- Translate whenever necessary such as when caller is overseas and needs help communicating with the local police in order to file a report.
- Provide emergency cash advance when theft occurs away from home.
- Determine best legal action to take against creditors or how to work with credit bureaus if creditors are not cooperative in removing fraudulent entries from participant’s credit report.
